*John 14:12-14... "Most assuredly, I say to you, he who believes in Me, the works that I do he will do also; and greater works than these he will do, because I go to My Father. And whatever you ask in My name, that I will do, that the Father may be glorified in the Son. If you ask anything in My name I will do it."*

Wow....isn't that a great promise? Whatever we ask for in the Name of Jesus, He will do. That is how we pray here at the Healing Rooms. 'In the Name of Jesus' - be healed! Why? So that the Father in heaven may be glorified in the Son. This is all about Him. No one on the prayer teams can take the credit or glory for any healing that is done. We are just 'conduits' of His healing power, His love, His grace, His compassion and His mercy flowing through us and touching the lives of people some of whom are in **desperate** need of healing.

As I write, we have just seen our **105<sup>th</sup>** person here at the healing rooms in 7 weeks - isn't that amazing considering we are only open for prayer 6 hours each week! The word is getting around that you can come to Fyshwick and receive healing prayer. We have had people come from Melbourne, Goulburn and nearly every area in Canberra. God is on the move and we're ready to be a part of what He wants to do at the Healing Rooms.

The following are 3 healing testimonies where people have received their complete healing and the first one before we even opened the doors.....

*"I have had problems with AMENOREA (not menstruating) and irregular periods for eight years. This has also affected my bone density. I am part of the prayer teams at the healing rooms. On the first night when we came to pray through the building, before the offices were even finished, there was a general prayer for healing for those present. No one laid hands on anyone and no individual prayer was prayed over anyone. FROM THAT NIGHT ONWARDS I HAVE HAD A REGULAR PERIOD*

AND IT HAS CONTINUED FOR THE LAST 4 MONTHS.  
PRAISE GOD, HE IS SO FAITHFUL!!!”

.....

“I had FYBROMYALGIA for a couple of years and it had only been diagnosed about 12 months prior to this. The Lord led me on a path of changing my lifestyle I thought to cope with the disease. I did explore and find a lot about myself in the process, but He spoke and said He had plans that would not be thwarted. Then a friend told me of the Healing Rooms. I believe that God commenced the blessing where brethren dwell in unity, so I went. The ministry was gentle, restoring and from that day on I showed none of the symptoms of the disease. A month+ later and a very hectic time in between and I am still healed and at peace with my God. Praise the Lord for His goodness endures forever!!”

.....

“For the last 3 years I have been experiencing great tiredness so much so that whenever I have undertaken even a small chore, like the weekly washing, I have had to sit down and rest. Often this rest period led to 2 or 3 hours sleep. In more recent times, I have experienced drowsiness when driving, and on two occasions actually went to sleep momentarily - but the Lord awakened me just as the car began to veer to the side of the road. By sleeping during the day meant that I had trouble sleeping at night. By being awake much of the night meant that I was tired during the day and so it went on, and on and on. I consulted my MD who diagnosed potential sleep apnoea. Last Friday (6<sup>th</sup> Aug) I awakened exhausted. It was with great effort that I drove to Fyshwick. I felt overcome with weariness and this was 10.30am! So in faith, holding onto God's promise to heal me - His words to me of many years before - and the hope in His faithfulness, I visited the Healing Rooms. Prayer was offered for healing of this ailment and related issues.

Saturday morning I arose refreshed after a good night's sleep & shopped, did the washing, worked in the garden, dined, read and watched TV then to bed - a 'big' day by the last 3 year's standards. I awoke Sunday morning without any weariness! I AM HEALED! PRAISE THE LORD FOR HIS MERCY & HIS LOVE!”

We believe that this is the start of many complete healings. We have seen God do a progressive healing in the lives of many people who have
