
Let us hold unswervingly to the hope we profess, for He who promised is faithful. And let us consider how we may spur one another on toward love and good deeds. Heb 10:23-24.

Greetings to all our supporters, partners and friends for 2006! Yes Christmas is long gone and another year full of opportunities, challenges and victories has begun.

The writer to the Hebrews reminds us of God's unfailing faithfulness - He is the solid rock on which we stand. He also encourages us to spur one another on. I heard it said recently that faith, although personal is also a corporate 'activity'. Many times we have visitors to the healing rooms who say they have very little faith to believe for their healing. That's what we're here for. To join our faith with those who come so that we may spur one another on. The Bible encourages us further in vv35&36 of the same chapter; "So don't throw away your confidence; it will be **RICHLY** rewarded. You need to **PERSEVERE** so that when you have done the will of God, you **WILL** receive what He has promised" (emphasis mine).

What a magnificent privilege He gives us in partnering with Him to see heaven come to earth in ever increasing measure! Jesus came to destroy the works of the enemy. Sickness, disease and oppression are most definitely works of the enemy, as these things don't exist in God's perfect kingdom. I believe we can expect

to be richly rewarded - there's the 'catch' for some. Those rewards may come in unexpected packaging but let me just say that it is a rich reward to be able to impact another person's life with the kingdom of God - that in itself is a **rich reward!** It is a rich reward to be able to regularly lay hands on the sick and release the power of heaven into their bodies, minds and spirits.

He promises that with perseverance, faith and patience we **will** inherit the promises of the kingdom. We have a definite sense here lately this year will see great breakthrough in all aspects of the ministry at the Healing Rooms. We are trusting God for increase in every area - visitors coming, provision of food and finance, team members, opportunities to cast the vision for Healing Rooms in many more cities and towns across this nation of ours and it's already beginning - Praise God!

Without His Presence we are absolutely nothing. However with God all things are possible. We have had reports lately of doctors saying, when reading better than expected test results; I've never seen anything like this before! Oh how we love those testimonies that bring glory to Jesus!
