If you are pleased with me, teach me your ways so I may know you and continue to find favour with you...then Moses said to Him, "If your presence does not go with us, do not send us up from here. How will anyone know that you are pleased with me and with your people unless you go with us? **What else will distinguish me and your people from all other people on the face of the earth?"** (Emphasis added)

We hear the cry of the heart of Moses in these few verses. If you don't go with us then we're not going anywhere. The Presence of God was just so important to Moses that he wasn't about to move unless the Lord went with them. As children of the Most High God there should be a 'difference' in us. Moses says here what else will distinguish us from all the other people on planet earth?

I truly believe that people today are hungry for an authentic experience of God. People are hungry for the 'real thing'. How does the song put it? "When the music fades and all is stripped away, and I simply come longing just to bring **something that's of worth that will bless Your heart...**" There's one simple but profound key here. It's the Presence of God. We're so hungry for His Presence at the Healing Rooms because it's His Presence that ushers in the anointing that breaks the yoke of sickness and disease in the lives of those who come.

Lately we're seeing time and time again those who come experiencing His

Presence in a powerful way and the result is that they are more ready to receive - whether they recognise it or not. You see in His Presence there is fullness of joy. In His Presence there's perfect liberty and in His Presence sickness, disease and everything from the enemy's kingdom must flee.

We've witnessed first hand with greater ease just recently an increase in His Presence that is setting the captives free. Praise God!

The Father is just SO interested in the whole person. He loves each of us SO much that He sent Jesus not only to take away our sin but also to provide for our healing, deliverance & provision. Jesus came to pave the way for us to exchange shame for His glory, to replace rejection with acceptance and set us in a place of blessing instead of living under the curse.

There's nothing more Jesus can do than has already been done for our salvation, healing and deliverance. His work at the Cross was completely perfect and

perfectly complete and we get to enjoy the benefits of His sacrifice for us.

His Presence is not something that can be 'manufactured' although many have tried. It can't be produced with music or nice décor but is a gift from heaven that we guard with 'holy jealousy'. We don't take it for granted but are just so thrilled when we sit back and watch His presence unlock the 'junk' in our lives and bring freedom and joy in place of bondage and sorrow.

Can I encourage you to get into His Presence? Get away quietly somewhere and allow the Father's love to wash over you. In this hectic age in which we live, there seems so little time to stop and reflect on His love, but you know it's been said nothing ever changes until it changes!

We are the ones who get to choose the depth of intimacy we have with our loving Father. He has given us everything we need for life and godliness and then allows us to participate in the divine nature (2 Peter 1:3-4). What an AWESOME privilege. We get to be Jesus with skin on to those in a lost and dying world who are yet to meet the King!

We get to carry His life changing Presence with us everywhere we go. Are you getting this? Just think everywhere you go this week you get to take the presence of God - into your workplaces, schools, colleges, universities and even to the place of retail therapy!

Just think, you can change a person's life for eternity just by remembering that you are the temple of the Holy Spirit and it's really very simple if you just follow what Jesus said to do - **Love God and love people**. If we adopt this as a primary motivation in life then I believe the rest will follow. Jesus is the same yesterday, today and forever and the One who was and is and is to come so desires for you and me to pour out His love and power on those with whom we meet each and every day.

Why not give it a try today. Simply say Father use me today to bring blessing to another person and leave the rest up to Him. "Taste and see that the Lord is good" Ps. 34:8. He IS true to His Word and will pour out His Spirit on you as you go about your duties.

A friend of mine said to me recently that they are just looking for God in all the little things and it is having a profound effect on their life and intimacy with the Father.

Regional News

The last few weeks we have been travelling around the State spreading the news about Healing Rooms and conducting training courses for existing Healing Rooms. Last month (August) we were in Wollongong and trained a group of 20 people for the team at Five Islands Healing Rooms in the Illawarra region of NSW.

The following weekend we assisted the team from Healing Rooms Australia (HRA) at a Healing Expo in Nowra. This was a very exciting and rewarding trip. There were over 60 people from 16 churches in the Shoalhaven area who came together with such unity and excitement. There were many healings over the weekend including arthritic pain, 'frozen' shoulders, emotional wounds and many others. We are still receiving feedback from that weekend – Praise God!

We are returning to Nowra early October to train the team who will launch Healing Rooms there later this year.

TRAINING DATES
6-7TH October

Contact our office for details.

25th – 27th August was spent in Moruya on the South Coast of NSW conducting a training session for South Coast Christian Centre. There were 16 new people and 8 who had done the training course nearly 12 months ago who came for a 'refresher'. What a wonderful group of people on fire for God and keen to see Healing Rooms established in their community. Once again the 'power of the Lord was present to heal' and several testified of the healing they received over this weekend.

Healing Rooms Hours Extended!

Due to the increased demand the Healing Rooms will now be open until 2pm on Tuesdays commencing 5th September. Praise God for the increase He is bringing!

HEALING TESTIMONIES

For approximately 10 years(+) I had suffered from intense pain in both my shoulders and upper arms. This pain was debilitating to the point that I could not raise my arms above my head for more than a few moments.

On Saturday 15th July 2006 during a training session for "Healing Rooms" I went to the front as part of a 'demonstration' at the training – it was asked if someone was in pain would they come and have prayer for healing.

Being in pain I was only too willing to be the 'subject' of prayer – also safe in the knowledge that I had told God that morning that I really needed healing.

As I was prayed for the pain VANISHED and I felt a wonderful presence of God's Holy Ghost. I thank God for this healing which is as sure today as it was the day I was prayed for!

Two weeks before visiting the Healing Rooms I developed a very bad stomach complaint, constipation and a sharp stabbing pain. There was "relief" with medication after 2 days, however, immediately I developed pain in the neck and shoulder and chest. Over the next week it moved from around left side and ended up residing in the right shoulder and neck making the area weak and a real problem.

Through friends and church I had heard about the Healing Rooms but this was my first chance to go. The team brought words to me and prayed over me. When they had finished the pain was still there until I lifted my arm and I felt it rise up and leave me and there hasn't been pain since. Praise the Lord!!

I have had a couple of little twinges, but whenever I invoked the Lord's name and His promise of answered prayer and healing the twinges went away!

COMMUNITY KITCHEN NEWS

We have been successful in obtaining some ACT Government funding for the Community Kitchen which will assist us greatly in expanding this area of vital ministry. Praise God! However we are in need of **additional volunteers to give us a “helping hand”** on a Wednesday evening. We serve the meal between 6 & 7 pm so if you can give us an hour or two it would be greatly appreciated. Jesus said ‘I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for Me.’
